Re: Olin Property, Wilmington, Massachusetts

Dear Ms. Johnson Ball:

Please consider our town when the matter of a transfer of waste station is proposed. I have lived in Wilmington nearly all of my life. I have knowledge of families whose children have had cancer from the Olin plant. Allowing the transfer station will not only devalue the values of our homes, but it will also prevent/preclude the proper collection of evidence against Olin chemical.

I don't think you would want a waste center in your town either. Please consider this matter carefully.
PLEASE HELP OUR TOWN!!

Sincerely,

Ynes Miranda
