Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

Date: 9-26th

Dear Ms. Johnson-Ball,

The railroad track in question, the EJ and E, runs about one-hundred from my bedroom. As a high school student, I cannot afford to be woken several times the night before the ACT. How can I explain to a college that I got a below average score on an entrance exam because a train woke me up multiple times the previous night?

Please negate the CIV purchase for the sake of my grades
