Dear Phillis Johnson-Ball,

I am writing this letter because I firmly believe that the proposed acquisition of the EJ&E Railroad by the CN Railway is an enormous detriment to my hometown New Lenox and surrounding communities. ~~The sale will have an increase in the amount of hazardous~~ material going through town and will also have a large negative impact on future land use, emergency police and fire responses, environment, and quality of life.

Please do not allow this to happen to myself, family, neighbors, friends, and town.

Sincerely,

Amy Sue Peterson
