I live in Barrington Hills - I do much of my daily business in the town of Barrington - Shopping - grocery, other, restaurants, town activities, visit many many friends & most importantly my daughter attends St. Anne Catholic School.

I like many others would be impacted due to the travel times w/out I would encounter they would be so much that I may be forced to take my business elsewhere - shutting down many small businesses if enough people felt the same. I would find a different place of worship possibly & the church does not get state money so it would be in jeopardy as well.

This beautiful community may be a thing of the past. We now encounter a few roads that are quite lengthy - can't imagine more.

I live in Horse Country - it would be a big strain on trailers w/ horses if they had to wait for long periods. The horses may get agitated. We really want to keep our beautiful community alive.
