La razon por esta llamada es que trate de llamar al numero, eh, en ingles y no tienen opcion, um, para dejar un mensaje. Eh, ya parece que esta llena la caja de, de recados y por eso que estoy yo dejando en español. Eh, estoy pidiendo que por favor, ah, escuchen, a los propietarios de esta zona, que estamos opuesto, eh, a que la Canadian National compre y tenga servicio a 25 o mas ferrocarriles en esta zona. Seria una cosa, ah, horrible para el medioambiente, para las personas que viven en esta zona, para el transporte, para, eh, situaciones de, eh, um, emergencia. Asi que se pide por favor que sea justo en este, en este pedido de estas personas que somos americanas. Estam-estamos pidiendo al Congreso, a representantes de esta zonas que, o, um, nos apoyen y que digan que no a CN. Eh, le puedo dar o-otras razones pero ya se las he escrito varias veces a STB, y queremos ver que, que sean fiel a nuestra causa. Gracias.

The reason for this call is because I tried to call the number in English and it did not have an option to leave a message. It seems the message box is full and that is why I am leaving it in Spanish. I am asking to please listen to the proprietors of this zone, that we are opposed to the Canadian National buying and having service for 25 or more railroads in this zone. It would be a horrible thing for the environment, for the people that live in his zone, for the transportation, for emergency situations. So it is asked please that you be just in this request from us people that are Americans. We are asking Congress, representatives from this zone to support us and to say no to CN. I can give you other reasons but I have already written multiple times to STB and we want to see that you all be loyal to our cause. Thank you.
