Thanks Cathy. Thanks also for your careful review of this document and coordination with ARRC on comments. I can make 9:15am Alaska time (1:15 EST) on Friday for the conference call.

Please let me know if you need anything else from us in the meantime.

Best regards,

Shina,

The only place that a time frame is mentioned for the review of reports is in Attachment A (Summary of Tasks and

Deliverable) in the MOU. FYI, the document says that we have 30 days to review reports. It is listed under Identification and Evaluation of Potential Historic Properties in the APE.
