Comments:

We need an Environmental Impact Statement because:

- With some much other industrial development ongoing in downtown Jersey City, Jersey must preserve Green preservation. Enhancing and Reliving a park will serve a better purpose than just another condo or building. Being a new Resident of Jersey, it saddens me as new Resident that parks are not included in development and planning in city. Parks ~~are~~ are a part of history we need to honor the past and embrace the future by Building a "Greener" tomorrow.

* REQUIRED FIELDS

I authorize the Embankment Preservation Coalition to file this comment with the Surface Transportation Board.
