

Environmental Impact Statement

Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

Date: 9-26-08

Dear Mr. Johnson-Ball:

I am greatly concerned about the impending sale of the EJS+E to the CN. During our recent rains before and during Hurricane IKE, ~~the~~ two ~~most~~ of the nearest underpasses under the EJS+E flooded, leaving the only underpass or overpass of the EJE between Indiana and Joliet, IL, was the I-57 overpass.

This should prove to the STB the absolute need for more overpasses and underpasses in our area, to be paid for by the CN in order for emergency vehicles to get from one side of the tracks to the other. Thank you for your help.

Greg Wroblewski.
