Draft Environmental Impact Statement for the  
Proposed Canadian National Railway Company  
Acquisition of the Elgin, Joliet and Eastern Railway  
Company

STB Finance Docket No. 35087

Date:

Aug. 27, 2008

Comments must be submitted by September 30, 2008.

My name is MARTHA Ann Johnson, daughter  
to long standing resident Ralph E. Johnson and Judy  
I was raised in Barrington Hills from  
1952 to early 1980's. This area where I lived  
will lose value as well as my  
new business located at 100 E. Station Street Suite 224  
in Barrington, IL. I own the 117-119 E. Main St.  
building and I beg of you not to let  
this transaction go through.

My hope is to be married and to have  
children soon. I have a deep historical  
love for this town and want to see it  
revitalized and stabilized. As a mother  
of 22 years, and as a Sr. VP of Compliance,  
our government would never endorse such  
a transaction given its impact on the people  
and the environment. I work very hard, I  
commute daily to Chicago, and I intend to not  
own a car as long as I can to also help the  
environment.
