

NJIT architecture student Samar Marzouk envisions a lookout over an urban forest on the Harsimus Branch Embankment, 6th Street, Jersey City.

AB-167-1189-X

The Embankment provides a perfect opportunity to adaptively re-use an interesting and valuable historic resource. Plus Rail access many return. Please preserve it.

AB-167-1189-X

I would love to see the Harsimus Branch Embankment be preserved. It is an important historical site, one that is extremely important to Jersey City, and one that the public should have access to. It would increase the dynamic appeal of Jersey City tenfold!

Dear DEA-

I live in a 130-year-old building directly across from the 6th Street Embankment. The Embankment is a beautiful and essential cornerstone of our quiet, charming, and historic neighborhood - please advise the STB to preserve it!

Thank You!

THE EMBANKMENT SHOULD BE PRESERVED
AS IT IS CRUCIAL TO KEEP CONNECTION
WITH THE PAST, ESPECIALLY IN THE
TIME WHEN THERE IS SO MUCH
RAPID CHANGE. I AM NOT ANTI-
DEVELOPMENT, BUT BELIEVE CITIES
"WORK" AND RETAIN IDENTITY
WHEN THEY CONNECTIONS TO

HISTORY REMAIN FOR ALL TO
PONDOR. PLEASE RECOMMEND
THE PRESERVATION OF THE
EMBANKMENT. ANYTHING ELSE
WOULD BE SHORT TERM GAIN - (JK)

Adaptive re-use of the
6th St Embankment
would ~~not~~ preserve
an important aspect
of the history of NJ
& serve the community
with an incredible open
space.
