Dear Mrs. Johnson-Ball,

Thank you for sending the Forest Preserve District notice for the above referenced project. Unfortunately, I am not able to attend the public scoping meeting scheduled at the end of this month. We would appreciate the opportunity to review and comment upon the draft scope of study as it relates to our preserves. I have enclosed a current map of our preserves for your reference. Let me know if you would like this information in a digital format so you can incorporate the data into the EIS.

At your earliest convenience, please send us a copy of the draft scope of for our review and comment. Thank you for your time and consideration.

Sincerely,

Cori Crawford
Planning and GIS Coordinator
