Dear Ms. JOHNSON - BALL,

We are a small town on the ETE line
that will suffer from a foreign company (C+N),
changing the way ^{we} will live FOREVER if this
RAILROAD sale goes through. IT will also
wreck AMTRACK (our way of getting to and
from Chicago) as the tracks intersect. Long
Freight TRAINS and up to 25 more per day
are going to kill every town on this
line. Our LIFE SAVINGS are AT STAKE and
MANY others.

Thank You For Your Time.
