Transcript:

Um, we would like to ask for a Naperville-Plainfield meeting um regarding the purchase um of Canadian National Railway um acquiring EJ&E Railroad. Um, if you could, um we'd like a meeting about this as this would really, really negatively affect us. Um, my number is 630-219-3119. Um, we, it's so noisy right now here and so, as a train is passing by right now, so loud and they really, really lay on the horns and it's just, it's awful. Um, so we really would like this to be a quiet zone and we'd like um, we definitely don't want this purchase to go through. Uh, 630-219-3119. Thanks
