Re. Docket No 34797

EI-2144

I strongly oppose the trash transfer site
on Essex St. in Wilmington Ma.
Reasons: (Among the many)

Smell

Noise

Pests

Proximity to Elem. Schools

" to daycare

" " Senior housing

Hundreds of truck through out the city

+ Hell haven't we had enough with
the Superfund Sites, Cancer,

Bad Publicity etc etc etc

+ We don't need Transrail Commodities

taking trash + Volatiles from all over
the State -

Please Kill this Bad Idea.

Thank you
