Message:

I share the concerns of Tom Cross, Illinois House Republican Leader that the proposed acquisition of the EJ&E West Company by the Canadian National Railway will lead to:

- Significant vehicle delays at railroad crossings on already congested roads.
- The safety of the crossings re: emergency response will be degraded.
- That noise and air pollution in the effected communities will suffer.
- That commutes for workers, students will be adversely impacted.

Therefore, as a citizen of Illinois I oppose this acquisition.
