Mr. Withrow,

We the Northern Cheyenne Tribal Historic Preservation Office give Eugene Hart permission to have authority, if there are any historical artifacts and to conduct any unevaluated sites. And I understand that DM&E don't have the sufficient budget or the time to visit all 68 sites. Have any questions you can call me or Conrad Fisher at 406-477-6035 ext. 161.

Thank you,

Loveda Yellowrobe
