ATTN: Dave Navecky -Docket No. FD35952

Surface Transportation Board
Office of Environmental Analysis|
395 E. Street SW
Washington, DC 20423-0001

Mr. Navecky:

I would like to express my concerns over the proposed Great Lakes Basin Transportation, LLC rail line project. Docket # 35952.

I oppose the project and ask the Surface Transportation Board to deny the proposal.

My concerns are: the permanent damage to the soil during the heavy transport of oil and chemicals; the disturbance of 24 acres per mile of railroad track of valuable prime farmland and the compaction of the farmland soil destroying and rendering useless prime Illinois farmland.
