

080122 Koenig

My name is Janessa Koenig. My address is 4111 Callery Rd, Naperville IL 60564. My phone number is 630-857-3997. I am calling concerning the acquisition of the railroad tracks which is located directly behind my development, Ashwood Creek. My understanding is that we've not fully been informed to exactly what will be happening if that acquisition were to go through and the concerns of the neighborhood and the school which is located feet, literally feet, from the railroad tracks, which is Petersen Elementary. I don't think we've been properly informed as to what the intentions are and what types of chemicals and other toxic wastes is going to be running through our back yards. Nor were we informed that this would be discussed in any open forum. I would appreciate any information and all information which can be sent to my address or contacting me personally so that I can know and be aware of any meetings. Thank you.
