Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date: 8-27-08

Comments must be submitted by September 30, 2008.

It seems very obvious that a serious emergency situation could and will arise for hospital access - for school crossings and other emergencies.

Why is it necessary to
put our Community under
this explosive situation?
It seems as though we are
being "bullied" to accept
this project.

Please RECONSIDER!!
