Thanks. Is the GCM survey or inventory available online? If not, how might we obtain a copy of it?
Thanks again, Rich.

Hi David,

Just heard back from Colleen. The Lee Community Historic District was recorded by GCM Services in 2002 in conjunction with a Class III Cultural Resource Inventory on behalf of Peabody. It's not clear from the form if/whether a federal agency was involved.

Rich – Thanks.

Rich, Cathy -- I have not previously seen any reference to a Lee Community Historic District, which I see on the map of historic sites that you provided. I do not believe that such a district was identified in the TRRC III proceeding, which as you know also looked at the Colstrip Alternative. Can you direct me to any information you have on this district, including which entity designated it, or may be seeking to designate it, as an historic district? I don't see it listed on the National Register and it doesn't seem to be referenced on the Montana Historical Society website.

I appreciate your help on this. David

Hi David,

Sorry for the delay in getting back to you. I've attached the electronic versions, and will get the hard copy to you at the address below after the New Year when I'm back in the office.

I hope you all had (or are still having) a pleasant holiday.

Rick

Subject: Tongue River RR, Section 106, maps and tables of field survey results

Hi All,

As mentioned on the monthly call, we have prepared maps and tables of the archaeological sites and buildings/structures identified during the field survey for the Tongue River Railroad project. While the maps are at a scale that should not disclose precise locations, we are sensitive to their restricted nature, so we have kept this distribution list fairly narrow. Please let me know if you would like me to send you a copy as an e-mail attachment or prefer hard copy via mail.

I realize this message is late on a Friday before a holiday week, so if I don't hear back from you next week, I will send out a reminder e-mail when everyone returns to work in January.

Thank you for your interest and participation.

Rick
