Group/Affiliation: Remington Crossing Neighborhood

Message: I have great concerns about the purchase of this railroad. Not only have I read about the poor track record (derailments, etc) of this company, but to have that risk so near to my home with 2 young children is a huge concern. Additionally, how will emergency vehicles (police, ambulance, fire) be able to safely cross in a timely manner with up to 45 trains crossing per day? The safety issues are going to affect not only my neighborhood, but the schools in close proximity, the retirement community, and multiple other neighborhoods all with young children. Please do not allow this sale to go through. Thank you!
