Transcript:

I'm calling to state my opposition to the purchase of the EJ&E by CN, it's going to drastically alter our town its gonna ruin our town. We have seven crossings. Traffic will be tied up, all emergency services will be affected, and all commuters, school children, everything is going to be just totally affected and, getting to town, across town is going to be impossible. So please, please don't ruin our nice town and it's going to ruin our home values and everything about it so please, please take our opposition into consideration. Thank you. Good bye
