Message: I strongly oppose CN acquiring EJ&E Railroad. I've lived my whole life by trains and moved to the suburbs to get away from them. When I moved to Plainfield, I was told the train comes twice a day and they are not long. I would hate to hear trains constantly and would hate getting stuck by them daily. Having to re-route or avoid the train tracks would make any quick drive way too long. I have a young child who I wish not to have health problems early by the added pollution as the trains pass by. PLEASE DON'T ALLOW CN TO ACQUIRE EJ&E RAILROAD!!!
