UPDATED AGENDA INFO and ZOOM LINK:

All, we look forward to this “roll up our sleeves and figure things out” session. The focus of the meeting will be to find solutions to keep this critical project moving forward as efficiently as possible while creating wins for all agencies.

Draft agenda items are as follows. Please let us know if additional items should be included. We will bring hard copies of the final agenda.

1. Introductions
2. Review meeting goals
3. Whitmore Park (Emma Park corridor) technical discussion
 - a. Sage grouse
 - b. Topographic challenges
 - c. Private property owners
 - d. Connection to mainline rail
4. Wells Draw Technical discussion
5. Mitigation Options and Preferences
6. Action Items
7. Schedule Next Meeting

Please forward this information to others in your organizations who need to attend this technical discussion. Thank you!
