

13 Pearl Street
Woburn, Ma.
April 18, 2006

Phillis Johnson-Ball
Surface Transportation Board
Finance Docket No. 34747

Dear Madam:

The truck transfer proposal for 51 Eames Street in Wilmington, Ma. will heavily impact residential neighborhoods at both ends of Eames Street both in Wilmington and Woburn.

There are two elementary schools, a daycare center and a large senior Housing Complex located in North Woburn on Route 38 and the truck activity will have an enormous impact on an already overburdened roadway.

I am against this proposal.

Sincerely,
Francis M. Hancock
