Page 1

2 Liedlick, and I'm from Barrington,
3 Illinois, and I've already submitted a
4 two-page written comment; but after walking
5 around and talking, speaking with the STB
6 representatives here this evening, I am
7 very disturbed to hear that the three
8 individuals responsible for making the
9 decision regarding the STB report are not
10 present tonight. In fact it incenses me
11 that they would send middle people here
12 when we have thousands and thousands of
13 people and children representing our
14 community to come to this event who we feel
15 that this decision has such magnitude. For
16 them not to come and hear makes me really
17 feel like they are very disconnected from
18 the study at all. In fact I've read
19 excerpts of the study and truly believe
20 that it is flawed, especially given the
21 fact that they have not been present to
22 this community.
