Hi Diana, just got back in the office. Yes that thought that would be a good idea. I still don't know much about it. Just let me know what I need to do. Thanks Sharon

Hi Sharon:

Do you have any updates on the above subject with regard to last night's City meeting?

Thanks

Diana

Diana, Our meeting is at 7pm this evening. I will have a definite yes tonight. I will email you back this evening, but I am almost positive the answer is yes. Thank you Sharon Fry/City Clerk Stover, MO

**From:** Diana.Wood@stb.dot.gov [mailto:Diana.Wood@stb.dot.gov]**Sent:** Friday, April 24, 2015 11:33 AM**To:** Stover City Hall**Subject:** Re: rails to trails

Sharon:

Per our conversation, I'm sending you a copy of the Memorandum of Agreement (MOA) that was prepared and approved by all parties in the connecting and previously approved 42-mile segment of rail line that is being converted to trail use. If you elect to participate in the Section 106 process in the 144-mile rail line segment, you'll be able to review and comment on the draft MOA, particularly the stipulation section, and will receive a draft and final copy of the archaeological survey, a document that will have historical and cultural information about the rail line and the communities through which it travels.

Let me know if you have any other questions, and I'll wait till the 30th to hear your response as to whether the City of Stover wants to participate in this process.

Regards,

Diana
