Re: Canadian National Railway Company and Grand Trunk Corporation-Control –
EJ&E West Company (STB Finance Docket No.35087)

Dear Ms. Johnson-Ball:

Warrenville has been my home for the last 16 years and have enjoyed quiet and safety in my community. Now I hear of a proposed sale of EJ&E Railroad to Canadian National.

This will greatly impact my community, due to over a 70% increase in train traffic. Not only a noise increase, but a danger increase due to hazardous waste traffic running thru this community.

It is because of my concerns about safety and quality of life that I oppose this transaction. It is my sincere hope the STB will consider the severe impacts on our community before making a decision. Please feel free to contact me for further information. My telephone number is 630-293-3979.

Sincerely,

Dolores Gleason
