My phone number is (815) 744-9960 and I'd like to state that I am very much against the CN acquisition of the EJ&E Railroad. I am very worried about traffic already in the area and the delays that this would ultimately cause us. Also worried about pollution and emergency response times could be drastically decreased because of these trains. So I would like it to be noted that I am very much against it. Thank you very much. Bye bye.
