Mrs Johnson. Ball.

I would like to register my opinion
 against the Canadian Railroads acquisition
 of the C S & E Railroad. My town, Lake Zurich
 Illinois would be ruined by the introduction
 of an additional 20 plus trains a day.

Traffic will be a nightmare. The noise
 and vibrations will disturb our peace
 and quiet. Our town's economy is
 already in a shambles. Adding train
 traffic will send us into insolvency.

Please add our voice to your
 deliberations: No to the Canadian
 National Railroad.

Thank you!
