Dear Paul,

We were able to attend the last meeting, and mailed letters that were provided that evening, but we are not able to attend today's meeting. Thank you for representing us.

Please express our concern and disapproval of the sale of the ej&e rail lines to CN. We agree with all our neighbors that it would very negatively effect the public safety and quality of life of many, many people in many communities surrounding Chicago.

Yours truly,

Matthew A. & Elizabeth J. Howard
