 Mr. Blodgett.

After reviewing the available information about the proposed Great Lakes Basin (GLB) rail project, it is my opinion that the proposed GLB project has failed to sufficiently provide documentation that supports public convenience and necessity. For the following reasons I respectfully request that the STB cease any further action on this project.

THERE ARE SO MANY PEOPLE THAT WE KNOW WHO
WOULD BE AFFECTED BY THIS, JUST PLAIN DOESN'T
MAKE ANY SENSE AT ALL.

WE LIVE ACROSS FROM NYGREN AND ENJOY THE
BIRDS & ANIMALS THAT DEPEND ON THE HABITAT.
ALSO, DONT WANT FOR THE WATER TO BE DISTUR-
BED OR CONTAMINATED.

The above provided information is what led me to the conclusion that the proposed GLB project is inconsistent with the public convenience and necessity. It was insufficiently vetted before starting the approval process. I respectfully request that the STB takes "no action" on this project.
