

Environmental Impact Statement

Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

Date: 8-27-08

Please consider the nightmare that is ahead of us if this acquisition is approved

Safety

freedom of movement

access to emergency care

Air & noise pollution

pollution to our ecosystem that we depend on
for our water

delays for our educational systems as buisness

are required to be stopped for LONG periods of time

frustrations of drivers & pedestrians that lead to trying to "beat" the approaching trains, leading to their death
