Hi, my name is Mark Bennett and I live in 4119 Champion Rd in Naperville. My phone number is 630-922-3595. I was going to attend one of the public scoping meetings for the acquisition but decided not to because I wasn't aware that it was going to address certain issues such as the construction and also operational concerns and now I'm finding out that these meetings also were to discuss those issues as well which wasn't real clear in the notice for these meetings. So I was wondering if you were going to be having additional meetings on the operational and construction issues; particularly with respect to the Naperville area where then tracks run by several elementary, junior, and high schools as well as several residential areas. Thank you very much. I'm also wondering if you're going to extend the comment period. Thanks for your time. Bye.
