① **Traffic** Strongly disagree that CN's proposal of Increasing Volume of train at ~~West Bartlett~~ West Bartlett Rail Road.

These days, the train cross 5.5 times per day and it causes lots of traffic. West Bartlett Road is ~~heavy~~ traffic zone now. If train comes 22.5 times every day, It is going to be jammed. lots of cars is coming from Elgin area and many resident homes are increased. Furthermore, there is no way to turn around if ~~it is to~~ get Rt 59.

② **Safety** - There are two ^{elementary} schools around West Bartlett road. Many school buses and students are using this street. ~~It is~~ I concern safety problems of little kids.
