

RESOLUTION
LAKE COUNTY DRAINAGE BOARD &
LAKE COUNTY DRAINAGE ADVISORY COMMITTEE

WHEREAS, the Lake County Drainage Board and Lake County Drainage Advisory Committee statutorily created governmental bodies having jurisdiction and authority over County regulated drains and stormwater quantity and quality in Lake County, Indiana; and

WHEREAS, the Lake County Drainage Board and Lake County Drainage Advisory Committee are alarmed at the significant environmental impacts the rail line proposed by the Great Lakes Basin Transportation, Inc., would have on Lake County; and

WHEREAS, the significant environmental impacts and dangers would include transportation of hazardous materials, drainage issues, and negative impacts on future land use;

THEREFORE, BE IT RESOLVED by the undersigned that the Lake County Drainage Board and Lake County Drainage Advisory Committee foresee no positive economic impact from this new proposed rail line, and foresee significant permanent negative environmental and drainage impacts, and therefore are opposed to Great Lakes Basin Transportation, Inc.'s proposed 278 mile rail line.

THIS RESOLUTION passed and adopted this **18th** day of **May, 2016**.
