Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: Aug. 27, 08

Comments must be submitted by September 30, 2008.

this is a terrible idea I have
three small children and fear that
in an emergency their lives may
be further endangered due to
an endless freight train blocking
emergency services.

this can only decrease
public safety in all communities
that will be impacted.
