I did attend the meeting that was held at the Holiday Inn off of Larkin up here and I tell you what, I'm totally opposed. I'm only out here for 4 years now, I lived in Chicago on the south side and we had a lot of difficulty with the trains there. Now they want to come up here and it's gonna be twice as bad as it was in Chicago. I know everybody wants, you know, things to go ahead, but this is not the way to do it, especially when they want us to pay for like 95% of the project. So again, I'm totally opposed for it and I did receive a letter from Tom Cross and I totally agree with his agreements that was sent to us. Again, I thank you very much for letting me voice my opinion. Again, thank you. Bye
