Transcript:

I'm calling in opposition to the proposal for the Canadian National Railroad acquiring the Elgin, Joliet, Eastern Railway uh due to the increase of proposed trains. Um, obviously uh a slight increase in trains shouldn't have a significant change in traffic as well as um the way congestion is on the south suburbs, but the proposal to exceed trains in uh excess of 25 to 30 per day uh can wreak havoc and I'm completely against that. Uh if necessary I can be reached at work at 312-456-6634. Thank you
