Good Afternoon Kenneth,

My name is Waste'Win Young. I am the Tribal Historic Preservation Officer for the Standing Rock Sioux Tribe in North and South Dakota. I just received the correspondence regarding the Tongue River III project. I am interested in Section 106 Consultation, although I think that this may possibly be the first time I've ever written correspondence requesting it. However since you requested a contact person, that would be me.

I have worked with Cathy before and I know her to be thorough, earnest and diligent. Please give her my regards.

Thank You,

Wašté Win Young
