Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

Date: 8-28-08

- ① What happens when one of my family member is sick and train is blocking ambulance.
- ② Pollution will be biggest problems.
- ③ Traffic congestion will cause lot longer commute time.
- ④ Property value of my house will go down.
- ⑤ Fire station is on other side of track.
What in case of fire?
- ⑥ Why foreign company is given priority over citizen's well being!!
- ⑦

[illegible]

Joliet
