To Whom It May Concern,

I want to voice my opposition to the CN acquisition of the EJ&E Railroad. I live in Plainfield, Illinois, and the negative impact on safety and on traffic are two of my concerns. The increase in railroad traffic will make it more dangerous for our kids, decrease safety at railroad crossings, and , myself being a Firefighter, increase emergency response times. Our roads are already too congested. The roads already need to be widened with the ever increasing population. Traffic jams and heavy congestion are the norm, especially in the areas where these trains would travel. The town of Plainfield and neighboring towns can not handle this additional burden. Please do NOT let CN acquire the EJ&E Railroad. Thank you for your time.
