We have lived in or around Barrington all of our lives. We presently live at 422 Park Barrington Drive, Barrington, IL. We have watch this town grow and prosper over more than fifty years. We will be going to our 50TH Class Reunion in 2009. The congestion has grown &/most to the breaking point. Additional railroad traffic could be the straw that breaks the camel's back. We are very ~~ap~~ much against increase the rail traffic in this town.
