Hello, my name is Paula Cisneros. I live at 319 West Windsor Avenue in Lombard IL 60148. I'm calling regarding this docket #35087. I wanted to register my comment that I am completely against the Canadian's Railway expanding the EJ&E Western Company or whatever they want to call it, the railway into Plainfield. I have a lot of friends there. I have quite a few interests there as well. And I don't want this railway going through the way they're going to disturb the entire community and potential hazardous risks into the population by who knows what they're going to be transporting back and forth. So, I'm against it. I wanted to be registered and anything else I need to do, please let me know. You've got my address and if you need my phone number it's 630-916-0295. Thank you.
