Title	Business			Dept	
Address	24 W. Sangmeister				
Address 2					
City	Frankfort	State		Zip	60423

Transcript:

I strongly object to CNN coming into the area due to the amount of trains that will be coming through without any plans to build overpasses or ways of getting across the tracks or under the tracks when trains are coming through, one for children, schools, and also for businesses that work along the tracks that have to go to and from areas and not be held up by the trains. Thank you
