Title	Business			Dept	
Address	44 Willow Bay				
Address 2					
City	South Barrington	State	IL	Zip	

Transcript:

I do not want CN to acquire the railroad lines because I am afraid of the congestion in the town of Barrington would hurt businesses. Also, it would stop safety vehicles to getting from hospitals to people that may be hurt or fire departments getting to homes. I do not want it to be a freight highway, causing people to sit and cause more air pollution and congestion and it would definitely hurt the businesses in our community. I want this sale not to go through, it would hurt all business, it would hurt our area, and it would take away the quality of living in our homes and neighborhood. Thank you.
