I grew up in Barrington Hills and went to Barrington High School. As an adult, I have chosen to locate my family in Lake Barrington. This is such a wonderful and serene place. We raise horses at my parent's farm in Barrington Hills. The train runs right behind their farm. All of these trains are going to completely change our lives. We won't be able to get through town. It will affect our breeding program due to the constant noise going on the entire day. Please don't ruin something we have worked so hard to create.
