Subject: Section 106 for Uinta Basin Railway project - following up from 11/19 call

Hello Mr. Begay,

I am following up from our phone call last Tuesday. I am a third-party consultant to the Surface Transportation Board for the Uinta Basin Railway project. My call was about a letter we sent dated June 19, 2019 regarding your tribe's interest in participating as a Consulting Party for Section 106. The PDF of this letter is attached as you requested. It would be great if you could take a look, especially at Attachment B, and let me know if you are interested in participating as a consulting party for Section 106.

Please don't hesitate to email back or give me a call with any questions. I am also cc'ing another colleague of mine, Debra Rogers, who may be more able to answer any questions you may have about this undertaking.
 Thank you,
