Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

My comment is simplistic and selfish. It will ruin our way of life in Barrington. Anyone to the west of the track on Countyline Rd. will literally be cut off from Town Barrington. Schools, and doctors offices etc. will be cut off. This will be a disaster for our community.

There are overpasses or underpasses that could be constructed but CN not the citizens who live here should pay for them.

This makes me lose any faith I have in our government.

We would be agreeable to Metra taking the lead over for commuter rail service.

YOUR INPUT IS IMPORTANT!
