1 MS. HARRIS: My name is Margaret Harris
2 from South Barrington, Illinois.

3 I just quickly wanted to make a
4 statement that not only would the quality of life

5 be greatly degraded if this were allowed to
6 continue, the safety of our children.

7 Many times a day our children cross
8 those tracks. The noise, the traffic, the danger
9 it poses to emergency vehicles not being able to
10 get where they need to go.

11 And I would venture to say that
12 anybody who wants this to go through does not live
13 in the community that will be affected by these
14 trains. Their quality of life will not change,
15 but everybody else's will. Thank you very much.
